

# Project Log Sheet

**Date:** \_\_\_\_ / \_\_\_\_ / \_\_\_\_

**Work Session Type:** Workshop / 1-to-1 / Independent

## Goals for the Session

*Example: "Learn how to solder wires to connectors."*

---

---

---

## What Was Achieved?

*Example: "Successfully soldered two connectors; struggled with overheating wires initially but resolved with practice."*

---

---

---

## Challenges Faced or Questions Raised?

*Example: "Difficulty holding wires steady; need to learn about using helping hands."*

---

---

---

## Next Steps:

*Example: "Practice soldering; attend 'Circuit Design Basics' workshop."*

---

---

---

## Technician Comments or Feedback:

*"Great progress on soldering. Recommend a tutorial on handling heat-sensitive components."*

---

---

---
